

You can add up to 5 links to external websites as an activity in the Learning Path to link your favorite industry related websites.

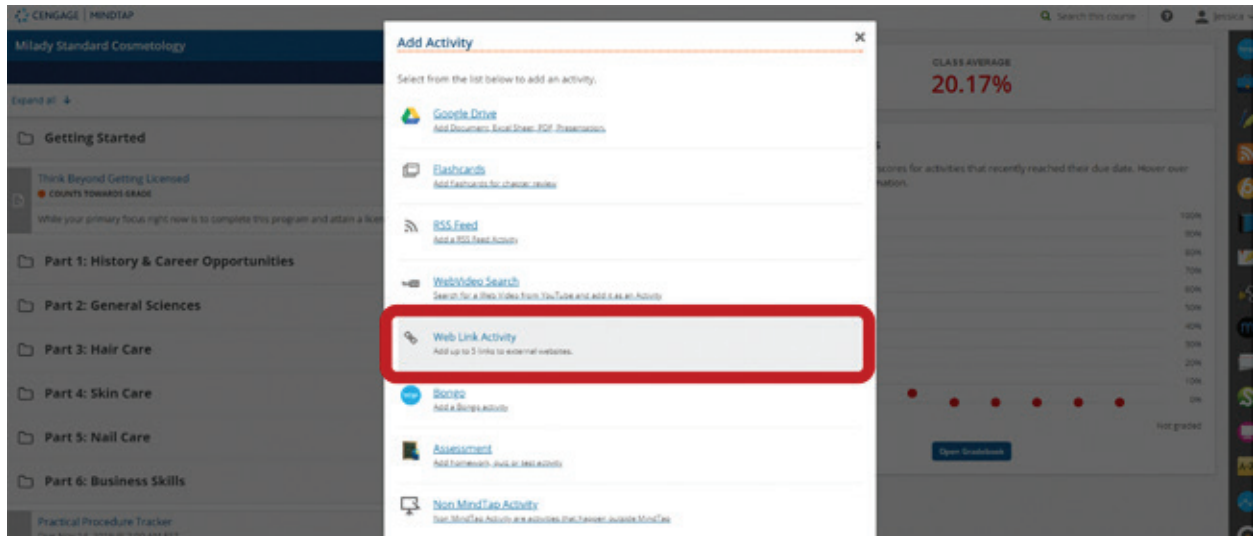

1 From the MindTap dashboard, click the “+ Add/ Create” button.

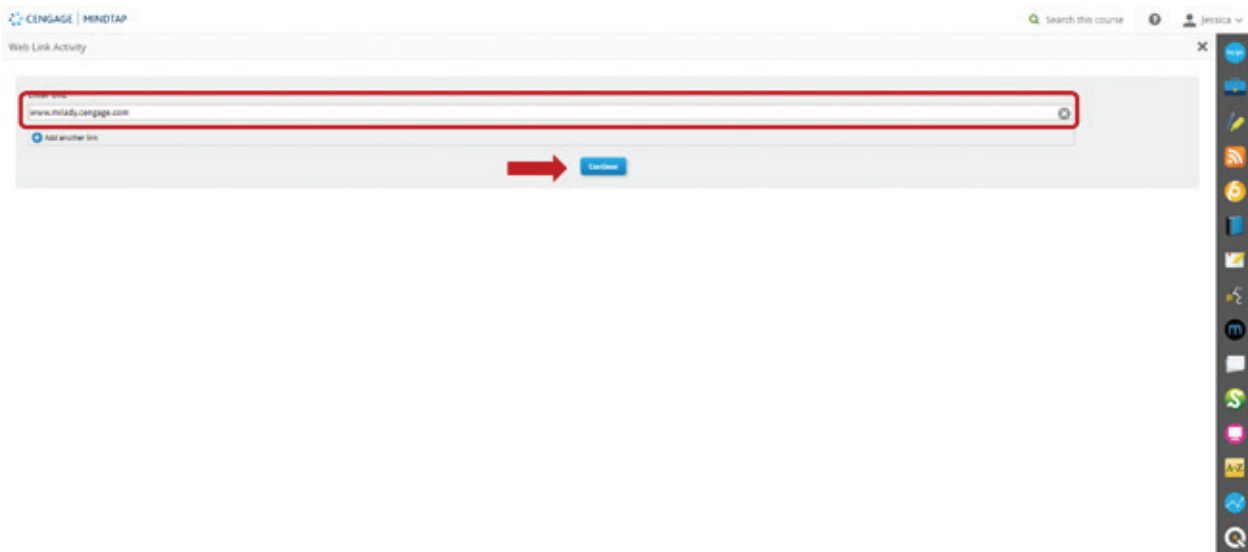

2 Select “Activity” from the drop-down menu.

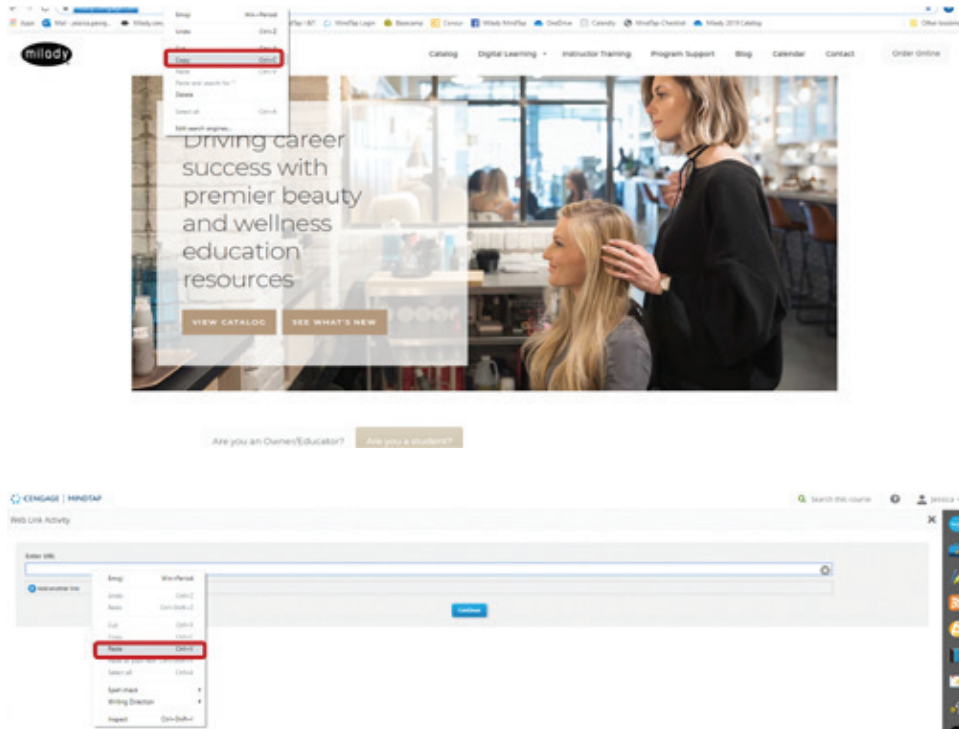

3 Select “Web Link Activity” to upload the link.

4 In the text box enter the URL for the web link. Click “Continue.”

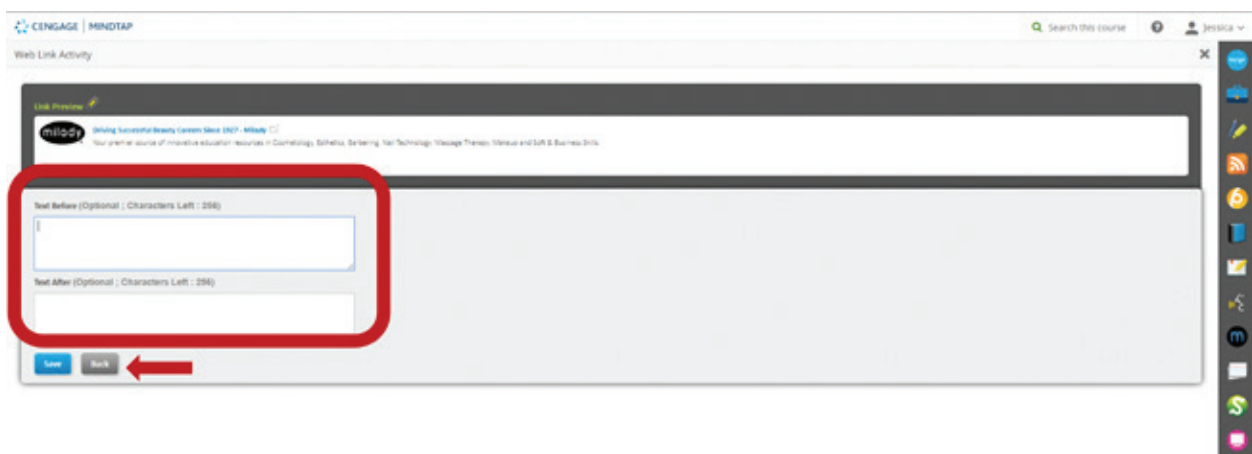

Please Note: To find a URL, visit the desired website in another internet browser window. (Example: milady.com) Copy the URL, and paste in the text box as shown below.

5

Enter the optional text before and after the link that will display in the activity. Click "Save."

3

- 6 Fill out the desired fields for the activity including title, description, due dates, and the location of the web link.

The screenshot shows the 'Assign to Course' dialog box in the MindTap interface. The dialog box is highlighted with a red rounded rectangle. It contains the following fields:

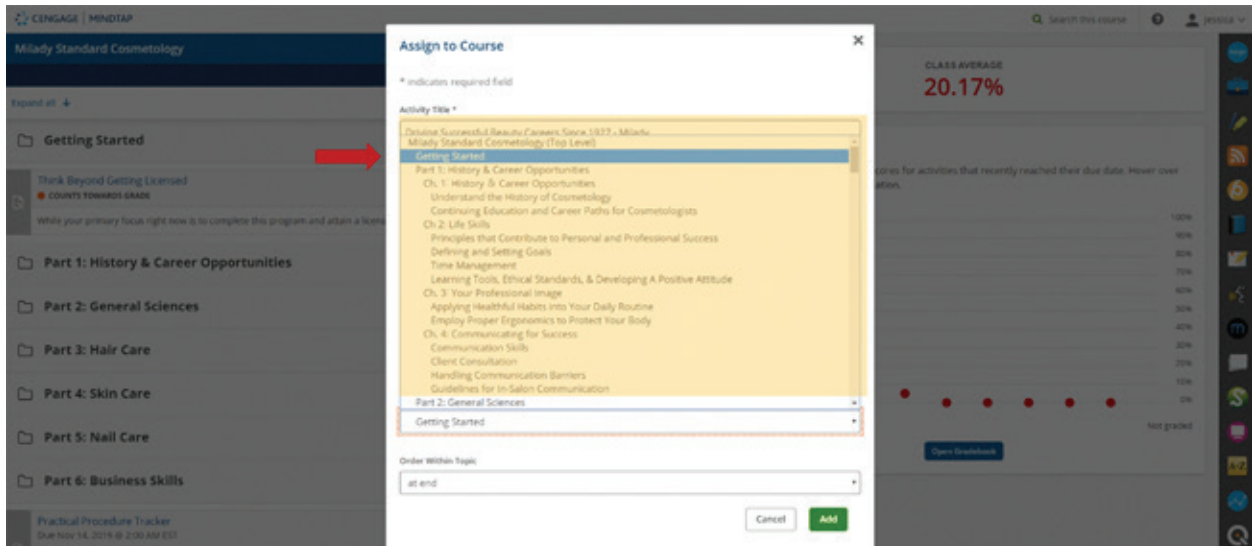

- Activity Title: Driving Successful Beauty Careers Since 1927 - Milady
- Description: Description (Optional)
- Dates: Available Date and Due Date (both empty)
- Location: Associated Topic (Milady Standard Cosmetology (Top Level))
- Order Within Topic: at end

The background shows the course overview for 'Milady Standard Cosmetology' with a class average of 20.17%.

- 7 To assign the desired location, click the "Associated Topic" drop-down menu. This allows you to select the chapter or topic where the web link will be placed.

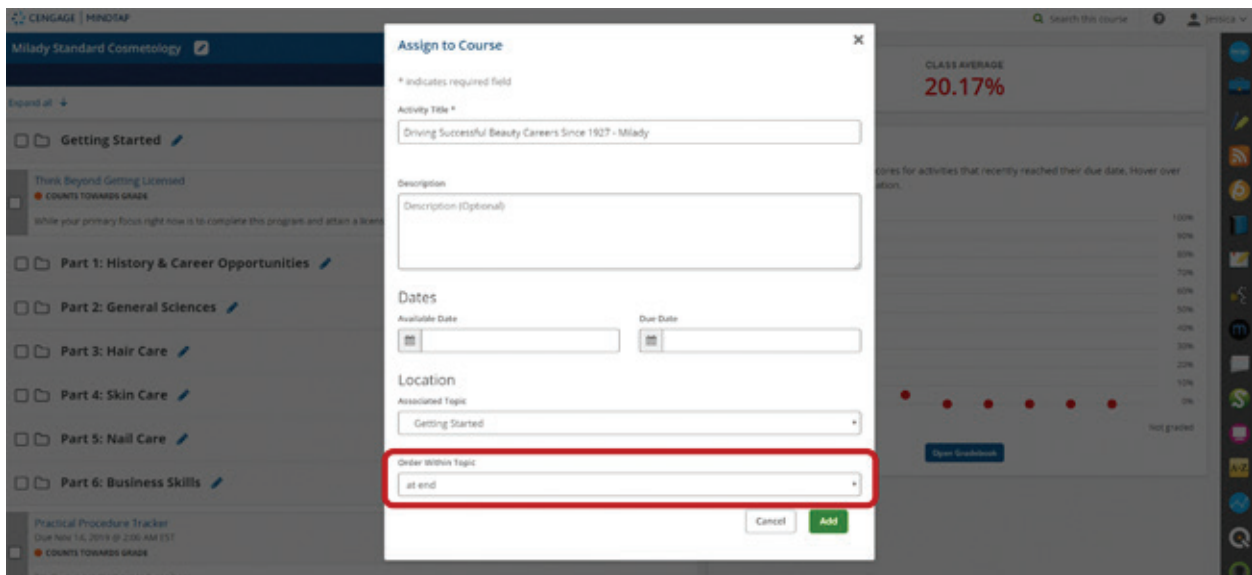

The screenshot shows the 'Assign to Course' dialog box in the MindTap interface. The 'Associated Topic' drop-down menu is highlighted with a red rounded rectangle, showing 'Getting Started' selected. The background shows the course overview for 'Milady Standard Cosmetology' with a class average of 20.17%.

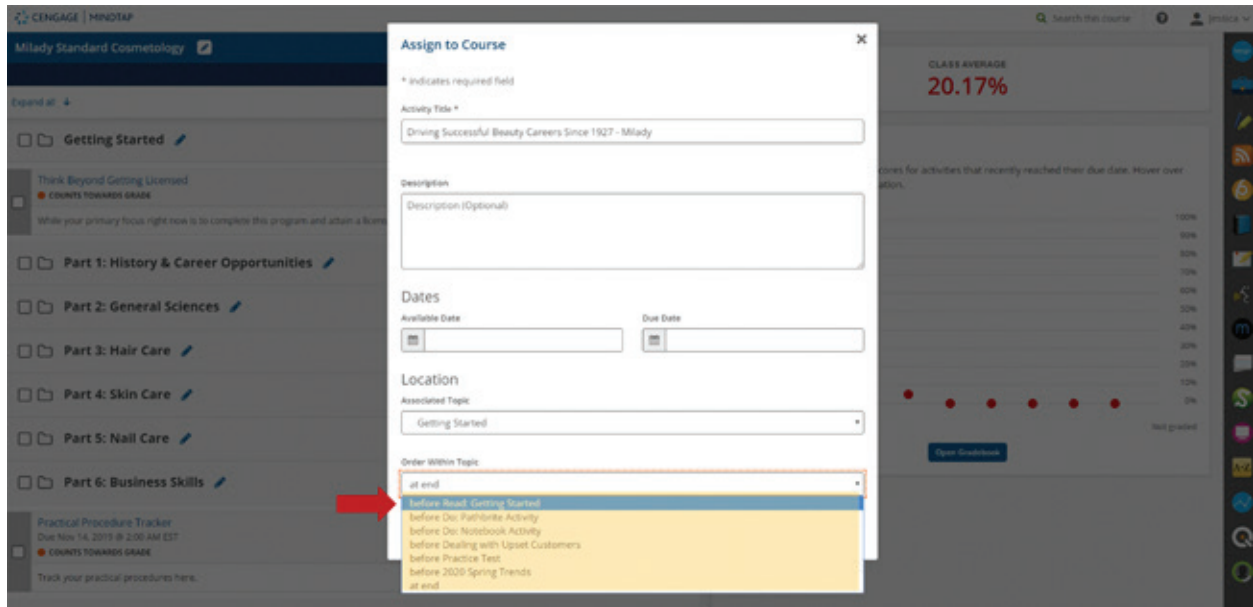

8 Select associated topic.

9 Click the “Order Within the Topic” drop-down menu for the web link location.

Please Note: This drop-down menu lists the activities that are currently in the Learning Path for that topic. You can choose if the web link will come before an existing activity, or at the end of the topic.

10 Select order within the topic.**11** Click "Add."

12

The web link activity will appear in the Learning Path based on the location you've selected.

The screenshot displays the MindTap interface for the course 'Milady Standard Cosmetology'. On the left, the 'Getting Started' section is expanded, showing a list of activities. The activity 'Driving Successful Beauty Careers Since 1927 - Milady' is highlighted with a red rectangular box. Below this, there are sections for 'Part 1: History & Career Opportunities' (62 activities), 'Part 2: General Sciences' (223 activities), and 'Part 3: Hair Care' (272 activities). On the right, the 'CLASS AVERAGE' is displayed as 20.17%. Below this, there is a 'Recent Activity Scores' chart showing a single data point at approximately 20% on a scale from 0% to 100%. The chart is titled 'Recent Activity Scores' and includes a description: 'This chart shows the average scores for activities that recently reached their due date. Hover over an activity dot for more information.' A 'Open Graderbook' button is located at the bottom of the chart area.
